

# ACT NOW!

Do you spend most of your day interacting  
with a lifeless machine?

THIS **IS** THE OPPORTUNITY  
YOU'VE BEEN WAITING FOR

How many original thoughts have you had this week?  
How many times have you laughed?  
Do you ever think about the programs your mind is running?  
How long *have* you been on autopilot?

## **IGNITE YOURSELF**

## **TIME IS RUNNING OUT**
